The evaluation process for every employee is an on-going process that takes place every day. Formal, summative evaluations will be prepared and reviewed with each tenured teacher every year. In addition, the Superintendent may recommend the suspension without pay or termination of non-contractual employees to the Board of Education.

Contractual Employees

During the term of the employment contract, a support staff employee may be suspended with pay pending review of the Board. Prior to suspension or termination, such support staff employees will be informed of the reason for discipline and will be given an opportunity to respond to those reasons. Upon request of the employee, a meeting with the Board of Education will be scheduled to review the recommendation for suspension or dismissal. Contractual employees, who are not offered a new contract, are not entitled to any form of contract. However, in such situations, the employee may review the non-renewal with the Superintendent/designee.

If the employee violates this policy, refuses to accept diagnosis and treatment, or fails to respond to treatment, and performance is adversely affected, the employee will be subject to employment action in proportion to the performance problem. Implementation of this policy will not require or result in any special regulations, privileges or exemptions from the standard administrative practice applicable to job performance requirements.

Upon the request of the Department of Elementary and Secondary Education or an agency of the United States, the District shall certify that it has adopted and implemented the drug prevention program described in this policy, in the form required by such agency.
